Dear Guardian

Jai Hind!

The School takes pride to apprise you that we are making great progress in terms of the educational setup. In keeping align with the National Education Policy (NEP) and National Curriculum Framework (NCF), we have planned the Co-Curricular Activities (CCA) in our School that will ensure the holistic development of your child.

1. For this session, the CCA activities will fall under **three categories**:

(a) Class Activities: These activities will involve participation of every student in the classroom and they will compete for the winning positions.

(b) Stage Activities: In these activities, a few selected students will take part in the competitions while the rest of the students will be the audience. Before shortlisting the finalists, it will be ensured that the screening of each student is being done.

(c) Sports Activities: Various sports activities will be organised where every child will have the opportunity to compete. These sports activities will also be integrated with academic subjects to keep up to the essence of NEP.

2. The April month planner will be shared within a week's time on the website, ERP and WhatsApp broadcast. However, the yearly planner will be uploaded on the website soon.
3. All these activities will be conducted simultaneously, on Fridays (I – V) and Thursdays (VI – XII), the details of which will be available in the planner.
4. All these activities will contribute to the House system, with credit points being awarded to respective Houses. Winners will receive participation certificates and recognition in morning assemblies.

The School is excited about the upcoming session and looks forward to your continued support. Let's dive into this incredible learning journey together!

Best Regards,

Mrs. Renu Sharma
Principal (IPS-CR)
Assistant Director – School Systems (IGS)
