Dear Guardians

Jai Hind!

This is to inform you that CBSE is organizing the **CBSE Science Challenge for students of Classes VIII to X** as an initiative to generate curiosity, enquiry and higher order thinking amongst the learners. The theme of the CBSE Science Challenge is Science, Environment and Sustainability.

Details of the CBSE Science Challenge

- The challenge would be conducted through **two rounds** – within the school and inter school.
- There is **No Fee** for participating students at either of the two stages of this enrichment activity.

A. Round One (First Stage)

- All students of classes VIII to X in CBSE affiliated schools are eligible to participate in Round One (first stage).
- The Science challenge paper would comprise a variety of stimulants followed by MCQs. The task for participating students would focus both on speed and accuracy.
- Round 1 will be conducted on 22nd and 23rd April in school premises.
- On the basis of the performance in Round 1, 06 students (02 each from classes 8 to 10) will move to Round Two of exam.

B. Round Two (Second Stage)

- A computer-based Science Challenge would be conducted by the Board for the registered 6 students between 13th May 2024 to 17th May 2024. Only the students that have completed the first stage and are subsequently selected for Round Two shall be eligible for the second stage.
- All the participants of Round Two would be issued an online participation certificate by the Board. Appreciation Certificate would be given to best performing students.

Note: All the parents are hereby requested to make sure that their ward is present in school on 22nd and 23rd of April to avail the opportunity of appearing in Science Challenge Exam.

With Regards
